Qualitative

Strengths of the course and of the instructor: -

- everything
- Stella is very accessible outside the class. For any questions I had, Stella explains them clearly and patiently. She is responsible and brings me lots of help. The office hour and discussion section are very useful. Love Stella! Thank you for the wonderful semester!❤
- Instructor is often available and grades quickly and fairly.
- The course provides a solid knowledge of the application of statistics in economics. It also covers deep and useful knowledge of regression. The instructor provides very good assignments on teaching students the application of regression and the usage of Stata.
- Very easy to talk to and will answer any question and explains concepts very well. Also available to meet and easy to schedule an appointment with.
- Stella is professional at helping students doing Stata, explaining concepts and answering questions. All the concerns will be resolved when you just go to her Office hour. It is enjoyable to listen to her talks because her voice is soooooo sweet :)

Weaknesses of the course and of the instructor: -

- N/A
- no

General Comments -

- good
- great Stata session, very useful
- The course provides deep knowledge of letting students to learn the logic of regression and its application in real world.
- Have a wonderful summer!
